Digital Data Loggers: Reminders

1. Download report from Digital Data Logger and send to TempCheck@phila.gov
 - As soon as you see an alarm
 - When you submit an order
 - Every 30 days
2. DDLs can only store 30 days worth of temperatures. If you don't download, the logger will stop recording and your site will no longer be in compliance with VFC policy for storage and handling.
3. Continue to manually log temperature twice a day on the paper temperature logs found on the <http://kids.phila.gov> website. Remember to also submit these logs via fax when ordering vaccines.
4. If you have any questions about training, alarms, the digital data logger please contact us at TempCheck@phila.gov
5. If you are not using a digital data logger, please contact Adam Howsare at TempCheck@phila.gov or 215-685-6491 to set up time for training.
